Joslyn Center Under New Leadership**

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

Well, happy summer! This will be the last column I write as Executive Director of The Joslyn Center. In fact, my retirement happened at the end of June. I would like to take this opportunity to welcome Dr. Jay Seller as our new Executive Director. He is highly qualified, personable, and will be a great addition to the Joslyn team. Please make the time to stop by and meet Jay and get to know him.

As I reflect on my seven years as Executive Director, I am most proud of the development of the Joslyn Wellness Center that was nationally recognized in 2020 by the National Council on Aging as a Program of Excellence. If you haven't taken advantage of the programs and services offered in the Wellness Center, I encourage you to do so. We are the only senior center in the valley to offer such a program that focuses on a holistic approach to health for older adults and seniors. *Go4Life®*, and our Fitness Center focus on physical health and strength building. *Problem-Solving Strategies* focuses on addressing many of the challenges we face as we grow older such as loneliness, anxiety over life changes, and depression. Our Master's-degreed counselors are ready to help you through some of life's challenges. We offer counseling services throughout the Coachella Valley in both English and Spanish.

Then there is *Brain Boot Camp* and the *Aging Mastery Program*. Developed by the UCLA Longevity Center, *Brain Boot Camp* addresses brain health, techniques for improving memory and for remembering names and faces and a whole lot more. The *Aging Mastery Program* developed by the National Council on Aging focuses on those challenges we face as we grow older and how to address them. Things like finance, the importance of exercise, socialization, making final arrangements and much more. The Joslyn Wellness Center is the ONLY place in the Coachella Valley where you will find these programs and a dedication to a holistic approach to your good health. We also have *Mindfulness Education*, *Meditation*, and so much more.

Since arriving, I introduced one of our most successful fundraisers, *Wine and All That Jazz*. This fine dining event features a tour of specialty wines paired with a five-course gourmet meal. We immerse you in an environment and also raise much needed funds for Joslyn Center programs and services. Our fashion luncheon has grown to be the "must attend" event of the spring season. Model citizens from the community donate their time to put on a delightful show with the talent of Susan Stein, famously known for *Fashion Week El Paseo*, producing the event. Don't miss these upcoming events next year. I will be sure to see you there.

This edition of the *Joslyn Journal* features our longtime volunteer, Nancy, who operates *Nancy's Salon de Joslyn* and provides free haircuts, hairstyling, facials, and other beauty treatments. Tips are appreciated to help cover expenses. Let's all salute Nancy for her years of volunteer service to Joslyn Center members.

Onward and upward, as they say. I will definitely see you in the coming years at Joslyn programs and events. I offer my heartfelt and dedicated support to Jay Seller as he embarks on bringing Joslyn Center to new heights.

Jack Newby
Executive Director

A MESSAGE FROM OUR NEW BOARD PRESIDENT

I would like to introduce myself as the new President of the Joslyn Center Board of Directors. My name is Barbara Mitchell, and I am incredibly excited to begin my official first term, succeeding the amazing leadership of our outgoing President, Beverly Fitzgerald.

I have dedicated my career to improving the lives of older adults, and retired as Riverside County Mental Health Services Manager of Behavioral Health after 35 years in the field. I currently serve on the Riverside County Foundation on Aging, Advisory Council on Aging (OoA), other nonprofit organizations and advisory councils. I was originally approached to become a member due to my behavioral health background. I was attracted to Joslyn Center due to the Wellness Center and the other social, recreational programs, which provide a comprehensive approach to aging. My natural passion is to improve the lives of older adults, and these programs enhance older adults' lives by decreasing isolation and loneliness and empowering them to live independently.

Since joining the Board in June 2019 and becoming Vice President in 2021, I am inspired every day by all the people; Board Members, Cove Community representatives, staff, volunteers, members and donors who make the Joslyn Center such a creative, innovative and fabulous senior center under the leadership of Jack Newby, soon to be turning over leadership to a new director.

As incoming President, my goal is to continue to promote the programs, services, and activities for adults fifty and over in the Cove Communities of Palm Desert, Rancho Mirage, Indian Wells, and surrounding Coachella Valley communities. Aiding in achieving this goal is the Joslyn Center Board, bringing a wealth of experience, knowledge, and ideas.

I am honored to lead such an amazing team. But nothing can be possible without a strong community of resolute staff, board members, city representatives, donors, and enthusiastic volunteers to run and support the programs. The Joslyn Center members' participation in the programs, groups, and events reflect everyone's contributions.

There are many people who have helped make Joslyn Center what it is today. I look forward to having a wonderful year as your new Board President and meeting and thanking as many of you as I can.

Barbara Mitchell, LCSW
Board President

COVER STORY

Nancy has been volunteering her cosmetology time and talent at *Nancy's Salon de Joslyn* for more than 12 years. Featured with her on the cover is longtime client and friend, Dianna Forsythe.

Nancy comes to us by way of her former *Face Facts* private salon business in Sherman Oaks preceded by stints at Bullock's, Sherman Oaks, and Aida Gray, Beverly Hills. Services included hair, para-medical makeup, wedding makeup, and skincare treatments. If her former salon chairs could talk, you would hear tales of Barbara Eden, a young Will Smith, cast members of *Dallas & Dynasty*, David Hasselhoff, Stella McCartney, Susan Sarandon, Kim Carnes, and even seeing to the tresses of wrestler, Gorgeous George, as her first job out of beauty school.

Not only does Nancy have a deft hand with comb, scissors, clippers, facials, and makeup, her storied 45-year career includes the trademarked *Sunsafer* line of hats, bags and wraps made of fabric which blocked 98% of the sun's rays.

Now she volunteers her services and loves hearing the stories and amazing backgrounds of clients who come to her at Joslyn. For a haircut, facial, deep pore cleansing, eyebrow shaping and more with Nancy on Mondays, and sometimes Tuesdays, current members can call 760-636-0577 for an appointment.

Services are free with a \$20 gratuity suggested for facials and \$5 for other services to cover expenses.

VOLUNTEER SPOTLIGHT

ALLEN FRANKS

Allen has been volunteering his time with Joslyn Center for about 8 years. He comes in early and takes our van to Eisenhower Hospital to pick up the *Meals on Wheels* meals, then returns to Joslyn and sets them up for delivery.

Originally from Redondo Beach, Allen was a manager in the grocery industry. When things changed there, he packed up and moved to the Coachella Valley in 1994. He then switched gears and started up an insurance agency. After making that a successful venture, he retired in 2009. Through all of this, Allen has been married for 21 years to Barbara, a former Nurse Practitioner.

Allen is also involved with U.S. veterans. He has raised Poodle and 'Doodle service dogs for vets with PTSD for about 17 years. Allen says that he does his volunteer work because he has been very lucky in life and wants to give back. Because he selflessly gives of himself, he was named the Joslyn Center Volunteer of the Year in 2023. We greatly appreciate Allen and all that he does for Joslyn!

REMEMBER THE HYDRATION STATION!

Summer in the desert is upon us and we all must remember to keep hydrated, whether engaged in strenuous activity or not. The water fountain in the main building hallway was made possible by Rethink Your Drink and the RAP Foundation in 2014. When choosing how to quench your thirst, as with most aspects of life, remember to make healthy choices!

A MESSAGE FROM THE WELLNESS CENTER

Hello again to our readers, members and visitors. The cover of this July-August Joslyn Journal shows Nancy's *Salon de Joslyn*. My first thought about it is: I wonder how many of our members and community even know that we offer this service! A great way to learn about our offerings is reading the weekly e-newsletter. It covers current programming, and, over time, includes all our programming. I read my copy every week so that I get all the updates.

Another way to learn about our offerings is to simply stop at the front desk and ask for a tour. We have monthly calendars, handouts, and an electronic board listing today's happenings. You can also simply come to sit in the lobby and observe what others are doing, where they're going and what activities they attend. Lastly, you are welcome to stroll around our facility and observe; very likely someone will ask how they can assist you.

What's important about all this is that you, as a member, get to participate in any of the activities and services you would like. Why is that important? As a "senior" myself, I know that once we've raised our families and stopped working full time, it takes more effort to remain occupied. That is true despite having spent so much of our early lives being too busy and wishing for some much needed, precious downtime.

Though some people are pre-programmed to stay busy, it does take some real effort for many of us to remain involved by filling at least some of our unstructured time. Despite the tendencies to be shy or remain alone, being around other people is scientifically proven to be crucial for a healthy happy life. Likewise, remaining isolated has been proven to cause as much negative impact as smoking a pack or more of cigarettes per day.

So, be it salon services, meditation, exercise, bingo, art, quilting, mindfulness, singing, etc., I hope you all find a way to join us in doing any of the things you enjoy.

Until next *Journal*,

Elyse Prack, LCSW
Counseling Supervisor

A MESSAGE FROM OUR PROGRAM DIRECTOR

Fun fact: A Gallup poll says that people become much happier after the age of 50. Another poll from Merrill Lynch found that 70% of people over 65 report being relaxed more often than not.

Compare that to only 41% of people ages 20 to 34 saying they often feel relaxed.

Hello everyone, my name is Alexandro R. Garcia, “Alex” for short. Born in Palm Springs and raised in Indio my whole life, I guess you can say I’m in love with our desert heat.

I want to start off by saying thank you to Jack Newby for giving me the opportunity to work for this great organization that I call my second home. I started in December 2022 at the Joslyn Wellness Center as an Outreach Administrator. In January 2024, I was promoted to Wellness Center Manager. Jack thought I had potential for more, so now he has taken one last chance on me before he retires by promoting me to Program Director.

I know it won’t be an easy transition for me, I know I’ll struggle, and I know I won’t be perfect. But one thing for sure is that I will work hard to be a great Program Director, not only for Joslyn, but for our wonderful members. Thank you to Melanie Lyons for setting the bar high as Program Director, but a little sweat never killed anyone. So, once again, thanks to Jack for the opportunity and to Melanie for her guidance in my new role.

I can continue writing down many reasons why I fell in love with Joslyn Center and why I personally think it is a great place to work, but in reality it will always go back to the members. The members are the reason I love what I do and I’m sure as Program Director, I’ll love it even more. Without our members we wouldn’t be the Center we are today.

I hope to be able to fill the Program Director shoes and that we as a team can make great things happen for our members and future members.

Alex Garcia
Program Director
